INTEGRATION COURSES (BAMF)

VHS GERMAN COURSES

WHAT SHOULD I KNOW?

Before the integration course begins, the course provider will carry out a placement test. The result helps them to decide which course level you should start with and whether a special integration course would be useful.

Please contact us to find out on which dates the placement tests take place.

WHERE DOES THE INTEGRATION COURSE TAKE PLACE?

vhs Passau | Nikolastr. 18 | 94032 Passau

DO I HAVE TO PAY FOR THE BUS TICKETS MYSELF?

Those who are exempt from costs and live at least 3 km from the course location will receive a travel allowance.

HOW IS THE INTEGRATION COURSE STRUCTURED?

PART 1: LANGUAGE COURSE

The language course is part of the integration course. It lasts a total of 600 teaching units (UE) in the general integration course. The language course covers important topics from everyday life, for example:

- work and profession
- education and training
- childcare and education of children
- shopping/trade/consumption
- leisure time and social contacts
- health and hygiene/human body
- media and media use
- housing

You will also learn how to write letters and emails in German, fill out forms, make phone calls and apply for a job.

The language course concludes with the „German test for Immigrants“ („Deutsch-Test für Zuwanderer, DTZ), i.e. the B1 level of the Common European Framework of Reference for Languages (CEFR).

PART 2: ORIENTATION COURSE

Following the language course, you will attend the orientation course. It comprises 100 teaching units (TU). In the orientation course you will talk about, for example:

- the German legal system, history and culture
- rights and duties in Germany
- forms of living together in society
- values that are important in Germany, for example religious freedom, tolerance and equal rights for women and men.

You complete the orientation course with the final test „Living in Germany“ („Leben in Deutschland“, LiD).
